<b>Subject</b>	Asking for a raise in salary

Dear Bhavesh sir,

I hope you're doing well. I'm writing to request a discussion regarding my current salary. Over the past few months , I have taken on additional responsibilities and contributed to the team's success, which I believe reflects my growth and the value I bring to the company. I have proven my worth for the company but somewhere because of the lower salary I was taken back for doing extra work and questioning myself if I was not worthy of a raise in my salary .

I have also given my contributions and the industry standards, I would appreciate a review of my compensation. I'm confident this would align my salary with my performance and responsibilities. I would be grateful for the opportunity to discuss this further at your earliest convenience.

Thank you for your time and consideration.
